

High Performance Teams

DESCRIPTION

New for 2012, this interactive program is ideal for improving teamwork. The HPT program combines a mixture of current theories about group dynamics and teams with fun experiential exercises. Each activity is designed to highlight a specific aspect of teamwork. The program builds to an exciting finale with the most difficult challenge at the end of the day. Teams need to apply and demonstrate what they have learned to complete the task.

FEATURES

Combination of indoor and outdoor activities.
Fun, interesting and challenging.
Designed to highlight and reinforce the benefits of teamwork within and across teams.
Suitable for all group sizes, ages and levels of fitness.
